Planning and Zoning Commission Meeting  
Minutes – February 12, 2018

The Planning and Zoning Commission of the City of Canyon met in regular session at 4:00 pm in the City Commission Chambers of the Civic Complex. Chairman Bill Craddock presided over the meeting with the following Commissioners in attendance: Bobbie Jo Krutsch, Charles Munger, Kevin Luetkahans, Laurie Sharp, and Leesa Wood Calvi. Commissioners John Pletcher, Larry Ramaekers, and Jon Davis were unable to attend.

Also present were the following City Staff: City Manager Randy Criswell and Director of Code Enforcement Danny Cornelius.

Item 1: Call to Order.

Chairman Craddock called the meeting to order at 4:04 pm.

Item 2: Approval of Minutes from the January 15, 2018 Meeting.

Commissioner Krutsch moved, duly seconded by Commissioner Munger, to approve the minutes from the January 15, 2018 meeting. The motion passed unanimously.

Item 3: Hold Public Hearing and Consider and Take Appropriate Action on a Specific Use Permit Request by 806 Vapes to Operate an Electronic Cigarette Store at 306 23<sup>rd</sup> Street.

Chris Goodwin of 806 Vapes submitted a Specific Use Permit application to operate an Electronic Cigarette Store at 306 23<sup>rd</sup> St. The City adopted Ordinance No. 1074 in November of 2017. The ordinance allows Smoke Lounges/Retail Stores in the RC-1, RC-2, I-1 and I-2 Zoning Districts by Specific Use Permit only. The property is located in the RC-2 Zoning District. Letters were sent to 13 property owners within 200 feet. One response was received in opposition to the request.

Chairman Craddock opened the Public Hearing at 4:05 pm.

Mr. Goodwin described the business as specializing in tobacco harm reduction. He stated the store would sell only e-cigarettes and supplies. Minors are not allowed to make purchases.

Jon Payne, Manager of the Canyon location, described his experience with “vapes”. He stated that it was first recommended by his cardiologist as a way to reduce nicotine and quit smoking.

Jon Chaffin, a customer of 806 Vapes, stated that 806 Vapes helped him to overcome his cigarette and smokeless tobacco habit.

Chairman Craddock closed the Public Hearing at 4:19 pm.

City Manager Randy Criswell reminded the Commission that the purpose of the Specific Use Permit process is to determine if the location is appropriate.

After discussion, Commissioner Krutsch moved, duly seconded by Commissioner Sharp, to recommend approval of the Specific Use Permit. The motion passed unanimously.

Item 4: Adjourn.

Chairman Craddock adjourned the meeting at 4:40 pm.

The proposed use is single-family dwellings. The proposed zoning is SF-S (Single-Family Suburban Residential) District. Re: Discussion on an Ordinance Regarding Recreational Vehicles.

---

Occasionally we will receive a complaint about someone living in a travel trailer or some other type of recreational vehicle which is parked in the yard at a residence. We've enforced it in the past by notifying the occupant that it's not an allowed use in a particular district such as SF-S (Single-Family Suburban District).

The attached ordinance would clarify that Recreational Vehicles may only be used for human habitation if located within a travel trailer park operating in accordance with the Zoning Code and Chapter 154 (Mobile and Modular Homes; Vacation Trailer Parks).

The attached ordinance is for discussion only at this point. If directed, we'll schedule a public hearing to consider making a recommendation to the City Commission.

Re: Discussion on an Ordinance Regarding Shelters.

---

The City of Amarillo has recently dealt with a situation where a “tent city” has been set up as a temporary shelter for several homeless individuals. While everyone agrees that these individuals need shelter, their best solution is clearly not living long term in these unsanitary and substandard conditions.

Amarillo has taken the stance that the tents are a violation of their zoning ordinance where a “Shelter” is defined as an organization providing temporary (three (3) days or less) boarding or lodging or both on its premises primarily to indigent, needy, homeless or transient persons. This ordinance would add the use and definition to our zoning ordinance. Shelters would be allowed in the RC-1 (Retail), RC-2 (Commercial), I-1 (Light Industrial), I-2 (Heavy Industrial), and Planned Development Districts.

The attached ordinance is for discussion only at this point. If directed, we'll schedule a public hearing to consider making a recommendation to the City Commission.

Re: Discussion on an Ordinance Regarding Abandonment of a Public Right-of-Way.

---

This ordinance would adopt procedures for abandoning any public right-of-way in the City, including streets, alleys, or easements. Occasionally a land owner will request that a street or alley right-of-way be abandoned and deeded to the adjacent land owners. This typically happens in cases where the street or alley has been dedicated by plat, but has never been constructed or used.

In the past, the owner(s) would submit a letter requesting the abandonment. City staff would contact the various utility providers to determine if they have any objection or would need any easements once the right-of-way is abandoned. The request would be presented to the City Commission and, if approved, a quit-claim deed would be prepared by the City Attorney and filed with the Randall County Clerk's office. All this would take place without any consideration by the Planning and Zoning Commission and without any application fees or compensation to the City from the property owners.

The proposed ordinance is similar to the City of Amarillo's. It amends the Subdivision Ordinance to provide a procedure for application, application fees, appraisal, and notification.

The attached ordinance is for discussion only at this point. If directed, we'll schedule a public hearing to consider making a recommendation to the City Commission.

In addition to the requirements set for in V.T.C.A, Local Government Code, Chapter 272, the following shall control the consideration of requests for abandonment of Public Rights-of-Way that are abandoned by separate legal instrument:

- (A) The applicant shall submit, along with an application to abandon Right-of-Way, an appraisal of fair market value prepared by a Texas licensed real estate appraiser that was prepared no more than three (3) months prior to the date the application is submitted for consideration. An appraised value less than the contributory value of the Right-of-Way to the adjoining private property will not be considered.
- (B) The applicant shall pay the following filing fees for Public Right-of-Way abandonment: four hundred eighty-five dollars (\$485.00) for each alley, easement, or street abandonment request filed for consideration.
- (C) Notification signs shall be posted on the Street Right-of-Way proposed for abandonment according to written rules established by the City Manager.
